Telemental Health Policy and Consent

I/We, _____, hereby consent to participate in telemental health with Molly Losey, MA, CC, LMHC, as part of my/our counseling/psychotherapy/life coaching. I understand that telemental health involves the delivery of clinical counseling services, where the practitioner and the client(s) are in different locations. Whenever possible, services will be delivered via an encrypted HIPAA compliant video media or other electronic means.

I/We also understand the following with respect to telemental health:

1. I/We understand that I/we have the right to withdraw consent at any time.
2. I/We understand that there are risks, benefits, and consequences associated with telemental health, including but not limited to, disruption of transmission by technology failures, interruption and/or breaches of confidentiality by unauthorized persons, and/or limited ability to respond to emergencies.
3. I/We understand that there will be no recording of any online sessions by either party without expressed consent. All information disclosed in sessions and written records pertaining to those sessions are confidential and may not be disclosed to anyone without written authorization, except where disclosure is permitted and/or required by law.
4. I/We understand that the privacy laws that protect the confidentiality of protected health information (PHI) also apply to telemental health unless an exception to confidentiality applies (i.e.mandatory reporting of child, elder, or vulnerable adult abuse; danger to self or others; I raise mental/emotional health crisis as an issue in a legal proceeding.)

5. I/We understand that if I am having suicidal or homicidal thoughts, actively experiencing psychotic symptoms, experiencing a mental health crisis that cannot be resolved remotely, it may be determined that telemental health services are not appropriate and that a higher level of care is required.
6. I/We understand that during a telemental health session, we could encounter technical difficulties resulting in service interruptions. If this occurs, please log-off and then log-in again. If you are unable to reconnect in ten minutes, please call 407 670-8796 and we may have to reschedule the session.
